#### OUR VISION FOR THE FUTURE

E<sup>3</sup>UDRES<sup>2</sup>, the Engaged and Entrepreneurial European University as Driver for European Smart and Sustainable Regions, promotes the **development of small and medium-sized cities and their rural environments into smart and sustainable regions** and shapes a prosperous future with the best possible quality of life for self-determined people in a progressive European society.

E<sup>3</sup>UDRES<sup>2</sup> co-creates outstanding ideas and concepts for **future universities**, integrates challenge-based education, mission-oriented research, human-centred innovation as well as open and

engaged knowledge exchange as interrelated core areas and establishes an exemplary **multi-university campus** across Europe.

E<sup>3</sup>UDRES<sup>2</sup> aims to train, motivate and involve smart and ambitious people – learners, educators, researchers, entrepreneurs, non-academic staff and various other collaborators – to act as change agents transforming their neighbourhoods into smart and sustainable regions and contributing solutions to global challenges, e.g. circular economy, well-being and the human contribution to artificial intelligence.

E<sup>3</sup>UDRES<sup>2</sup> enables students and staff to gain intercultural competences (including language competences) and broaden their horizons from a regional to a European perspective.

E<sup>3</sup>UDRES<sup>2</sup> is based on the commitment to free and open science, future-oriented excellent scientific expertise, learner-centred education, transnational and transcultural learn-

ing environments, future-oriented, life-long learning, responsible research, sustainable innovation and progressive education. Furthermore, E<sup>3</sup>UDRES<sup>2</sup> promotes creative, curious and inspired co-ideation; problem-based, solution-oriented and efficient approaches; human-centred, inclusive and participatory action, team-oriented-collaboration; outcome and impact-oriented co-creation.

## PUTTING OUR VISION INTO PRACTICE

### KEY DELIVERABLES / ACTIVITIES

- Co-ideating **an exemplary model for the governance of a progressive European University**
- Developing a **common educational model for students** by offering open educational resources, shared modules and joint degrees with mobility opportunities.
- Establishing **I-Living Labs, I-research networks and I-cubator programmes** for future universities and smart and sustainable regions. The “I” stands for inspiring, innovative, intercultural, international, interdisciplinary, inter-sectoral, inclusive and intense.
- Co-creating activities that **promote open and engaged knowledge exchange** that contribute and interact with regional communities, and are acknowledged as good practice on a European level.

### HOW OUR ALLIANCE WILL TRANSFORM OUR UNIVERSITIES

- Deepening the collaboration in teaching, research and knowledge exchange by applying **co-ideation and co-creation methods**
- Implementing **agile and holistic alliance management and decision-making approaches** to include all relevant stakeholders (higher education institutions management, staff, students, regional stakeholders) and to overcome institutional boundaries.
- **Sharing, pooling,** further developing and scaling the various promising approaches of its members and (associated) partners **to gain the critical mass** necessary to be visible and recognised at a European level and beyond.
